ProQuest. Database providing access to general, research, and business periodicals. In addition to citations for articles, ProQuest provides abstracts and fulltext articles in 4,600 periodicals. Results of searches can be printed or emailed.

Art Full-Text and Art Index Retrospective. Database which indexes, summarizes and provides the text of periodical articles on archaeology, architecture, art history, city planning, crafts, motion pictures, graphic arts, industrial design, interior design, landscape architecture, and photography from 1929 to the present. Search results have links to the library's holdings. Results of searches can be printed or emailed.

Architectural Index. Database of citations for 18 current and ceased professional journals. Uses predetermined subject categories for searching which follow the print edition of *Architectural Index*. Search can be narrowed by architect/designer and/or geographic location. Results can be printed.

DAAI: Design and Applied Arts Index. Database of citations on design, broadly defined. Among the numerous subjects covered, a few examples are industrial design, vehicle design, interior design, ceramic glass, illustration, packaging design. *DAAI* indexes articles, conference reports, book reviews, video, film and exhibition reviews, obituaries and illustrations. Covers 1973 to the present.

Opposing Viewpoints. Database covering social issues that brings together Opposing Viewpoint articles, topic overviews, statistics, court cases, newspaper and magazine articles, as well as links to more than 1,000 reviewed and subject-indexed web sites.

Florida Electronic Library. A collection of databases for searching current events, full-text articles, images, and other reference tools linked from a single web page. Must have a card from any Florida public library to access some links.

Print

Architectural Index. Indexes periodicals published from 1983 to the present. Covers subjects described with the online edition of *Architectural Index* above.
