EAC is presenting our second Winter Art Market just in time for the holidays in the Loranger Gallery, December 14 and 15, 2018. It will be a great place for last minute shoppers to pick up gifts or for snow birds to get their winter homes ready for the season. This year we are introducing a ticketed Champagne Preview that will include attendees first peek at artisan treasures, champagne and hors d'oeuvres, door prizes and more! The Winter Art Market will have art vendors, food trucks, music, artist demos, and activities for kids. Applications are available at the Art Center. You can also download the fillable PDF application on our website, at www.ringling.edu/eac.

The EAC Winter Art Market seeks to showcase unique, original, contemporary, and diverse art and fine crafts. We are looking for artists who exhibit professionalism and quality to our patrons, have a clear brand identity, and a variety of price points. For more information or to receive a market vendor application, call or stop by the front desk of EAC or visit our website at www.ringling.edu/eac.

The deadline to register is Friday, November 16, 2018.
