**Date:** 11/6/2017 - 12/4/2017

**Day(s):** M

**Time:** 5:30 PM - 8:30 PM

---

**PLEASE BRING WITH YOU TO CLASS:**

**\*\*PLEASE DO NOT GO AHEAD AND MAKE ON YOUR OWN BEFORE CLASS\*\*** -- we will cover this step-by-step process.

**BUT if you already have an Existing WordPress Website/Blogsite -- PLEASE Bring ALL of your Passwords and Login** information.

You will also need your mobile phone to verify your new website/blogsite, your Email login information, as well as your Apple ID and/or your Google Play username account and password for app download and setup.

A few digital images/photos.

An idea or a name for your Domain name to learn how to begin to build your new website in class.

At least 30 adjectives to be used for your SEO keywords.

A flowchart or outline of how you wish your website/blog to look. Example "Home, About, Services, Contact".

Note taking materials

**Computer labs must be kept at a low temperature to cool the equipment for maximum performance and speed, and to prevent equipment failure. Please bring a sweater and dress accordingly for your comfort.**
