INTERNSHIP GUIDELINES FOR THE GRAPHIC DESIGN DEPARTMENT

An internship is a career-related work experience that enhances a student's academic training. The Graphic Design Department has guidelines regarding student eligibility for participation in internships. A faculty advisor will determine the final internship grade of "pass/fail."

Internships are subject to the same institutional policies as those of other courses including withdrawal without penalty deadlines.

Student Qualification Criteria

- The student must have completed their sophomore year or its equivalent;
- Have a minimum of a 3.00 GPA, confirmed by the Registrar's Office, any exception to this requirement must be approved by the department head of Graphic Design;
- Have an excellent attendance record;
- Have demonstrated willingness to receive instruction and constructive criticism;
- Have an ability to follow through without constant supervision;
- Have demonstrated dependability, responsibility, and helpfulness

Changes In Requirements

Changes in the requirements may occur during the academic year, so always check with the Graphic Design faculty advisor or department head well in advance of pursuing an internship.

International Students

International students must see the International Student Advisor (in the Registrar's offices) before accepting an internship, or freelance, part-time or full-time work.

Registration Deadlines

For internships involving credit, the Internship Agreement form must be completed and submitted prior to registering for the internship. Students registering for a summer internship must have all paperwork completed and submitted to the Registrar before June 1. Academic projects agreed upon by the student and faculty advisor must be submitted to the faculty advisor before the internship semester ends.

Course Descriptions

Summer Internship For-Credit

The student registers *prior to* leaving campus for the summer internship.

GDES 497/Open Elective/01 - Graphic Design Summer Internship | Credits 3.00

Professional graphic communication work experience at a studio, agency, or firm. Experience professional practice and build qualifications for entry-level jobs. Internship selection based on career goals under direction of faculty advisor. Internships are on-site and under the direction of an experienced professional. Documentation of performed work and oral presentation required. Prerequisite(s): GDES 240; GDES 246; minimum 3.0 GPA. Grading: Credit/No Credit. Note: Summer internships take GDES 497.

Fall or Spring Internship For-Credit

The student registers for a local internship in addition to their regular course work.

GDES 496/Open Elective/01 - Graphic Design Internship | Credits 3.00

Professional graphic communication work experience at a studio, agency or firm. Experience professional practice and build qualifications for entry-level jobs. Internship selection based on career goals under direction of faculty advisor. Internships are on-site and under the direction of an experienced professional. Documentation of performed work and oral presentation required. Prerequisite(s): GDES 240; GDES 246; minimum 3.0 GPA. Grading: Credit/No Credit. Note: Summer internships take GDES 497.

The Process for Arranging for an Internship

Internships must be arranged before the beginning of the semester. The student must:

1. Check with the academic advisor in the Registrar's office to insure that all graduation requirements are being fulfilled and that the GPA requirement is being met.

Because internships are subject to variables beyond anyone's control it is most strongly recommended that students NOT engage in an internship if: a) the internship course is needed to complete the minimum number of hours needed for graduation, or b) the internship course is needed for the student to qualify for full-time status and financial aid, or c) the internship is part of a schedule that includes an overload.

2. Independently select an internship site and acquire approval of the site internship supervisor and your major's Department Head or faculty designee.
3. In conjunction with the site supervisor, determine work hours and complete the learning objectives, intern's responsibilities, and tangible evidence of learning sections of the internship agreement.
4. Arrange an appointment with the Graphic Design Department Head or faculty designee for final approval.
5. Submit all completed forms to the Registrar's office at or before the deadline. It is the student's responsibility to make sure all of the forms are signed.

Please Note: The Graphic Design Department strongly recommends that internship students are paid fair commission for their work by the internship site. Although unpaid internships are permitted, it is the responsibility of the student to negotiate wages. *The receipt of academic credit in addition to wages (or other compensation) for an internship does not represent a conflict of interest.*

Key Policies regarding credit:

Internship applications must conform to the following procedures and must be completed with all appropriate signatures for registration of the internship semester.

International
Students

Please notify the Director of International Student Affairs of your intention to participate in an internship and take the PHOT 475 course.

Once international students have job offers and authorization for Curricular Practical Training on their I-20, they must take the documentation, along with passport and I-94, to the Social Security Office to apply for a SSN.

Students engaged in internships will have a faculty advisor or department head who assists in the formulation and approves the academic component of the internship. The faculty advisor with the site supervisor also evaluates the academic component on a Credit/No Credit basis. Credit for successful summer internships is awarded at the conclusion of the Fall semester. Students who do not return to Ringling College after a summer internship will not receive credit. Credit for Fall or Spring semester internships will be awarded at the end of the semester.

Internships must be conducted on site under the direction of a full-time, experienced graphic design professional. The intent is that the graphic design professional provides on-going guidance and education throughout the internship. Freelance jobs or work done from home or other off-site locations do not qualify as an internship nor do other situations without a professional graphic design site supervisor. Discuss your internship selection with the faculty advisor or department head well in advance of the beginning of the internship.

For internships conducted locally during the academic year, all documents must be completed, signed and on record in the registrar's office by the "drop/add" deadline. If your documents are not complete by the "drop/add" deadline, you must go to the Registrar's office on the "drop/add" deadline day and register for an alternate elective in order to obtain credit. For summer internships, all documents must be completed and signed, and on record with the Registrar before the June 1 deadline.
