

Florida Suncoast Watercolor Society Exhibition

JUROR: Sue Downes Allen NWS, FWS

Sue Downes Allen's work is founded in traditional watercolor, but in recent years she has explored the boundaries of all water media and its alluring spontaneity. The result of this experimental approach is often abstract and uniquely original.

Sue received her BFA at University of Utah in 1980 and has been painting and teaching the unique nature of water media ever since. She is a consistent award winner and was proud to be awarded signature status in the National Watercolor Society in 2011. In 2013 she had a painting included in the American Watercolor Society 146th International Exhibition. Sue was featured in Watercolor Magic Magazine, December 2005.

Sue Downes Allen is a signature member and past President of Florida Watercolor Society, a member and past President of Brandon League of Fine Arts, and served as a professional advisor to the Hillsborough County Florida Art for Public Places committee. She has lived and exhibited her work in Europe and many states including Alaska, and currently lives and works in Lithia, Florida, near Tampa.
