

Ringling College of Art + Design

Englewood Art Center

Fall/Spring Program | 2017 - 2018 Syllabus

Class Title: Pen & Ink

Instructor: Don Melander

Days: Fridays

Time: 1:00 – 4:00 pm

Dates: _____

Class Description:

This workshop will use various inks and pen types to produce ink drawings, representing form and shape by building value and texture with the ink and paper. Emphasis will be placed on pen stroke techniques to produce form, texture, shape, value, and points of interest.

Course Goals:

Introduce students to tips and techniques for creating a drawing with pen & ink and to strengthen your drawing skills while discovering the versatility of this fast, indelible medium.

Class:

Instruction will focus on using pen strokes to produce shapes, values, texture and center of interest in an ink drawing.

Upon completion of this course, students will:

Become acquainted with the use of the pen to create form, texture, shape and values

Required Materials:

- Pen – Sharpie Twin Tip or Identi-pen or similar
- Paper – Bristol Pad (plate or smooth)
- Pencil – 2B

Purpose of this Syllabus: The purpose of this syllabus is to inform students of the goals, activities, and specific policies of the course, as well as outline the students' responsibilities in the learning process. It is the responsibility of the instructor to communicate this information in a clear and specific manner to students the first day of class. Since a syllabus is developed by an instructor before the class begins, it is considered a plan and is subject to revisions based on the judgment of the instructor. Course activities, projects and deadlines can be revised. It is the responsibility of the student to fully understand the requirements of the course after such information is presented by the instructor. This syllabus is a preliminary outline of the class/workshop and can be changed at the discretion of the instructor.

Health and Safety: Ringling College of Art and Design and its divisions are committed to providing students, faculty, instructors and staff with a safe and healthful learning and work environment and to comply will all applicable safety laws and regulations and safe work practices.
