WELCOME!

Dear PreCollege Student and Family,

Welcome to Ringling College of Art and Design, a leader in higher education for ambitious and creative young artists. As a PreCollege student you will study with the College faculty and be mentored by upper-class students both in and outside class time. The PreCollege Handbook details the College's expectations of students as members of the College's community. You are required to complete and sign all PreCollege Accepted Students Forms in accordance with the policies and procedures referenced in this handbook.

In combination with rigorous academic studies, Student Life contributes to student success through co-curricular activities that complement the education experience and promote collaboration among peers. Within this learning community the College fosters personal growth, encourages leadership, illuminates career directions, and promotes the spirit of exploration.

***Family support is equally important.***

PreCollege is a short 4-week intensive academic program. Students from across the United States and abroad attend to explore their creative options to better inform their college education choices. Due to the concentrated time-frame, campus visits and student leave from campus for non-emergency reasons will not be approved.

Please allow your student to immerse in their work and community, to utilize the College's resources and to network with their peers during this exceptional opportunity. Plan family and friend visits before or after the PreCollege program to support your students' steps into young adulthood.

It is our goal to provide a friendly, comfortable and supportive atmosphere for all PreCollege students. We look forward to welcoming you to the Ringling College PreCollege Community!

Sincerely,

The Ringling PreCollege Team

Need-based financial support opportunities are available through the application online at [www.ringling.edu/precollege](http://www.ringling.edu/precollege). PreCollege provides financial assistance through scholarships, grants, and matching funds in agreement with contributing organizations and College policies.

- The student must have submitted the PreCollege 2024 Application prior to submitting a Need-based Financial Grant Application.
- Due to limited funding, scholarships range from \$500 up to \$3500 toward the tuition, housing, and meals fees.
- Scholarship funds do not cover the refundable Residence/Damage Deposit or, SHIP-Student Health Insurance Policy, if applicable.

Timely payment will secure the immersions offered. Late remittance of the Tuition Deposit may forfeit the temporary immersion reservations. If payment is remitted at a later date, available immersions will be offered at that time.

Partial scholarship/grant financial support may be offered, following committee review of:

- PreCollege Application and Teacher Recommendation
- Scholarship Grant Application and Required financial disclosure as detailed.  
*Incomplete applications will not be reviewed.*

**The Need-Based Grant Application closes April 1, 2024 or when funds are exhausted.**

### PRECOLLEGE ACADEMIC POLICIES AND PROCEDURES ACADEMICS

#### Earning College Credit

First-time PreCollege students who complete the program successfully earn three college credits. Final PreCollege assessment is recorded as Pass/Fail, based on the students’ overall PreCollege program performance.

- Students will receive an evaluation and suggestions for improvement in the Canvas LMS from the faculty for each of their four core and their two immersion courses.
- Earned college credits will automatically apply toward the BFA/BA degree upon enrollment in the College or are transferable.
- If the student did not Pass the program, they do not receive college credit for PreCollege and no transcript will be available. The student will receive an Attendance Certificate.

### **COURSEWORK EXPECTATIONS**

Students are encouraged to stretch their knowledge, skills, and creativity in an open and supportive environment.

- PreCollege's two Immersion courses provide project-based creative experiences that provide students with the opportunity to learn about the practices applied in the majors.
- Students are automatically enrolled in the four core courses for fundamental skill building.
- The level of skill at the start of the program is less important than a positive attitude and desire for growth. Students are expected to bring an open mind, a genuine interest in exploring ideas and techniques and a willingness to participate and work hard.
- **STUDENT ACCESS SERVICES** - for Disability Accommodations consideration, please contact: [SAS@ringling.edu](mailto:SAS@ringling.edu)

### **CANVAS LEARNING MANAGEMENT SYSTEM**

All Core and Immersion course syllabus and project briefs are accessed through the CANVAS LMS. Upon receiving your College System Access at Student Orientation on June 23, 2024, you will be instructed on how to access your course information when the course opens. Student performance is assessed by faculty in each course and recorded in Canvas, along with instructional notes.

### **MINI-WORKSHOPS**

Mini Workshops offer a myriad of studio, digital, and liberal arts experiences to introduce students to a broad variety of practical and conceptual practices.

Mini Workshop Sign Ups are posted each Monday at 1 pm for students to sign up for workshops scheduled for the coming Friday (sign up and attendance required) and Saturday (sign up and attendance optional). Students must sign up before noon on Thursday or they will be assigned to Friday workshops.

### **CLASS POLICIES**

While each instructor may set additional policies regarding class conduct and requirements, the College does have a few policies that apply TO ALL classes and scheduled co-curricular PreCollege events.

- **CELL PHONES MUST BE TURNED TO VIBRATE DURING CLASS.**  
Personal communication devices, audiovisual, and electronic equipment are prohibited during class time unless their use is at the express direction of the instructor.
- **DO NOT SEND TEXT MESSAGES IN CLASS.**
- It is the instructor's sole prerogative to determine if a student is:
  - In a fit condition to perform class work, i.e., is not under the influence of any substance/medication and is not sleeping.
  - Working on assignments for that particular class (rather than working on projects for another class or doing personal or freelance work).
  - Distracting other students resulting in impairment of the learning environment.

If the instructor finds a student in violation of any of these provisions, or the policies outlined in the course syllabus, they may require the student to leave the class and may subsequently mark the student

absent, which could affect the student's standing in PreCollege as stated in the attendance policies.

- Excused absence or tardiness may also result in the student being unable to complete PreCollege successfully.

#### Medical and Non-Medical Excuses

Tardiness or absenteeism during the program due to a medical problem such as a contagious disease or debilitating illness should be reported immediately to your faculty, TA, or the Student/Residence Life

Staff. Students are responsible for communicating with the instructor(s) whose class was missed to arrange for make-up assignments.

Based on the nature of the program, a student who misses two class days may have to withdraw from the program or be at risk of receiving no credit. For all non-medical excuses (e.g., death or illness in the family), the student must submit written documentation from a parent or guardian to the Associate Dean of Students for Student Development or the Associate Dean of Students for Housing & Residence Life.

### **Excused Absence, Unexcused Absence, and Tardiness**

If a student is absent from half of one class without written permission from the Associate Dean of Students for Student Development or the Associate Dean of Students for Housing & Residence Life, the student will be subject to disciplinary sanctions as outlined in the section titled "Disciplinary Procedures." A student who has acquired two or more unexcused absences from classes may be subject to disciplinary action including dismissal from the PreCollege program and/or failure to receive college credit.

**Unexcused tardiness** to class, including over-sleeping, is considered irresponsible and rude to fellow students as well as to your instructor. Lateness of more than 15 minutes will be reported. Two or more cases of unexcused tardiness may be subject to disciplinary action.

### **OPEN STUDIOS - Understanding Open Studio Expectations and Attendance**

Working outside of class is an integral part of education. Students are required to attend at least 1-hour of the 3-hours available each weekday evening at Open Studios. Optional **Open Studios** are offered on the first and third Saturday afternoons. Independent work and self-motivation are fundamental to the curriculum. Teaching assistants are always present to monitor each Open Studio and to assist with processes.

### **ETHICS - Plagiarism**

Plagiarism is defined as copying or handing in someone else's work as your own. It is unethical to download and/or edit without permission another student's work. Plagiarism or any other form of academic dishonesty is a serious offense against the academic ideals of the College and warrants disciplinary action, which may include dismissal from the program and/or failure to receive college credit for the program.

### **Special Concerns IN A CLASS**

In the case of a special problem or concern with a course, fellow student, or staff member, please talk to your instructor first. If the problem is not resolved to your satisfaction, then speak with Nathan Skiles, PreCollege director, Diane Zorn, education program coordinator, or the associate dean of Student Life for Student Development or associate dean of Housing and Residence Life.

### **MATERIALS AND MODELS**

Course Art Supplies: Students are provided the required supplies for their course enrollments.

Models: There is NO PHOTOGRAPHY permitted in figure drawing classes. Models will be clothed in costumes and are to be respected at all times. The instructor will direct the model poses and break times. While the students are minors, our intentions are to teach them at the collegiate level. Our staff, faculty, and teaching assistants take this responsibility seriously and with the highest degree of respect for both the students and the models. Students are instructed not only on how to draw the figure, but also the proper, respectful behavior when working with the model.

### **ACADEMIC FIELD TRIPS**

Class Field Trips are determined by faculty on a per course basis.

**LIBRARY:** The College's Goldstein Library will be open and available to students of the PreCollege program to research artists, historical periods, or for reference materials. You may also work at the open computers during mid-day break. For more information, please speak with your instructor. To avoid being charged, please return items borrowed from the library on time, before departing the College.

Each recipient is awarded a \$5,000 scholarship to apply toward first-year tuition at the College.

**RESIDENCE LIFE**, working in tandem with Student Life, is committed to learning and growth outside the classroom. Each student will have a Resident Assistant (RA) assigned to his or her living area. The RA is extensively trained in community development, crisis intervention, leadership and mediation helping to foster a sense of community. The Assistant Directors and the Directors of Residence Life and Housing supervise the RAs.

The cooperative living experience requires that residents act responsibly and respect the rights of other community members. Each resident should understand and adhere to the policies, regulations and code of conduct as set forth in this handbook.

- PreCollege students will be housed in a state-of-the-art first-year residence hall designed especially for creative people.
- Residence floors/wings will be restricted to gender assigned at birth.
- Residence halls are centrally located with immediate access to lounge/recreation areas, Office of Residence Life, Office of Student Life and the mailroom.
- Bedrooms are "suite double" style housing – a large double bedroom housing two students that share a bathroom with the adjoining double.
- Typical room size is 11' x 16' and is equipped with extra-long twin beds, desks with chairs, wardrobes, and chests of drawers.
- Goldstein Hall has project rooms for creating artwork on each floor. Greensboro Hall has a large project room on the first floor. Students housed in Ulla Searing Student Center are granted access to the project rooms in Goldstein Hall.
- The building is secured by electronic access control systems, allowing entry to only the residents of each floor/wing.
- Questions or concerns about residence maintenance should be reported to your RA.

### **ATM and Check Cashing - Spending Money**

An ATM is available in Goldstein Hall. Spending money is not required however, it may be desirable to have for snacks, incidentals, and souvenirs.

### **Health and Medical Services**

The College will offer on-campus health care through **Sarasota Memorial Healthcare** at the Health Center facilities, Monday through Friday, 8:30 am-2:30 pm during PreCollege. The Sarasota Memorial Hospital Urgent Care Clinic provides required non-emergency medical services outside those hours.

All students must be covered under a health insurance policy, and the company name, policy number, policyholder name, policyholder's birth date must be recorded on the required health form. The **Student Health Insurance Plan (SHIP)** is required for all international students. Domestic students may elect to purchase SHIP or, if proof of Health Insurance is not provided by May 10, 2024, they will automatically be enrolled and required to purchase for coverage for the duration of PreCollege. All SHIP enrolled students will be invoiced \$200 for the plan. Unpaid invoices will automatically be deducted from your residency/damage deposit.

Payment for medical services are required at the time services are rendered and are the responsibility of the student's parent/guardian.

In the case of illness or injury, the student must contact his/her Resident Assistant for arrangements. When SMH services are not available on campus, Taxi/Uber transportation to a medical facility will be arranged and accompanied by a staff member and the transportation cost will be deducted from the student's \$300 damage/residency deposit. If for any reason a damage deposit was waived, the student and parent/guardian will be charged the cost of transportation services.

**In the case of a medical emergency**, the senior staff of the Office of Student Life and/or Office of Residence Life will ensure that the student receives immediate and proper care. Should hospital transport be necessary, an emergency medical transport will be utilized. The Dean or an Associate Dean will notify parents or guardians of any such medical emergencies.

Any PreCollege student ill enough that they need to miss more than one day of class may be required to see a physician. Students ill enough to miss class are expected to be in their rooms unless they are seeing a doctor. The Resident Assistant will assure that student needs during ill health are met, and food will be brought to the student's room if necessary. Attendance at counseling/medical appointments either on or off campus, or other documentation of a medical condition provided to the health center, is insufficient to grant an excused class absence. For questions about course work or attendance policies, it is the student's responsibility to communicate directly with their faculty member, PreCollege Director, or Student Access Services. Excused and unexcused absence may impact the students' ability to complete PreCollege successfully.

Due to the brief length and nature of the program, the PreCollege program cannot provide extensive medical treatment or ongoing psychological care. PreCollege staff cannot administer medication to a student. Students are expected to self-medicate according to their medical providers orders.

### **Counseling Services**

The College does not provide mental health therapy for PreCollege students. The College does, however, maintain on-campus mental health counseling services during PreCollege. Counselors are "on call" to provide adjustment counseling, emergency evaluation or mental health crisis management services. The Dean of Students, or her representative, will notify parents or guardians immediately of any mental health emergencies.

### **Prescription Delivery Services**

The College Health Center uses Walgreens Pharmacy – 1921 Waldemere St. Sarasota, FL – 941-955-6012. They will deliver prescriptions to the Health Center. When you arrive on campus for PreCollege you can fill out the Walgreen payment paperwork at the Health Center. When you call ahead for the refill, just let the Pharmacy know that the prescription is for Ringling College and needs to be delivered. Once it arrives on campus the student will be notified. Further questions regarding medication/health

services should be made directly to [medical@ringling.edu](mailto:medical@ringling.edu).

### **Dining Services**

Students take their meals in the Cunniffe Commons at the heart of the campus. Meals are cafeteria-style, and students may choose from a range of traditional and vegetarian options at each meal. A typical lunch might include fresh fruit, salad bar, soup, hot entrees, deli sandwiches made to order, hamburgers/hotdogs, French fries, and desserts. PreCollege students are on a 21 meal-a-week plan. Students must present their Student ID at every meal.

Students with allergy questions requiring special dietary restrictions must monitor their own meals, however the College will make sure that options for those with dietary restrictions are always available.

**Please complete this [PC24 Food Allergy Questionnaire](#) if you have any dietary restrictions.**

**Students seeking alternate dietary arrangements due to medical reasons, should contact Student Access Services at [SAS@ringling.edu](mailto:SAS@ringling.edu).**

### **Meals**

**Cunniffe Commons** PreCollege meal service hours are (unless otherwise specified)

Breakfast: 7:00 am-8:45 am. Lunch: 11:30 am-1:30 pm. Dinner: 5:00-7:00 pm

In addition to regular meals, students may purchase snack items at the **Market at Cunniffe Commons**, which will post extended hours.

### **Laundry Facilities**

Laundry facilities are no charge and located on all wings in Goldstein Hall and Ulla Searing Student Center and on the first floor of Greensboro Hall – bring your own laundry detergent (does not need to be HE) Report mechanical problems to Student Life via your Resident Assistant.

### **Appliances**

Hot plates, toasters, air fryers, or anything with an exposed heating element or an open flame are prohibited during PreCollege. Do not bring a microwave or mini-refrigerator as they are provided at the room or suite level in all housing areas. Keurig style coffee machines and hot water kettles with automatic shut-off are permitted.

### **Lost and Found**

Found items are turned in to Public Safety where they will be held for the duration of the program. After that time, the items will become property of the College. Any identified items will be returned to students.

### **Student Mail**

The Mail Room is located in the Goldstein Residence Hall and hours of operation will be posted for student access to mail and packages.

### **SHIPPING ARTWORK HOME**

At the end of the program, a UPS representative will be available on campus to assist students in arranging to ship items home. All shipping costs are the responsibility of the student/parent. Shipping rates will vary. To get more information or to arrange for a shipment home you may call UPS at 1-800-742-5877 or go online to [www.ups.com](http://www.ups.com).

## **FOR YOUR SAFETY**

The College campus is patrolled 24 hours a day by Ringling Public Safety Officers. In an emergency, Public Safety may be contacted at 941-359-7500, or they may be reached by using the Blue Light Phone Towers, which are located throughout the campus. Students may also contact any Resident Assistant, faculty member or staff member for assistance.

### **Blue Light Phone Towers**

Voice-over IP telephone towers are located throughout the campus as noted on the Campus Map. The blue light phones provide a 24-hour direct phone link to the Public Safety Communication Center. Each tower has two activation buttons, one for “information” and one for “emergencies”. When the VOIP phone is activated the constantly burning blue light at the top of the tower strobes. In addition, a security camera is trained on each tower and that enables the Communications Officer on duty to see the caller while talking to him or her on the phone. These call boxes are not restricted to emergency situations and may be used for non- emergency purposes.

### **Security Cameras**

In addition to security cameras that are located at each blue light phone tower, there are additional cameras recording activity in some of the Ringling Campus parking lots and adjacent city streets. Students should work in partnership with the staff to assume responsibility for their personal safety and the security of their belongings. Common sense and mature actions are always the best rule.

### **Recommendations for your safety:**

- Never travel alone, especially at night.
- Lock your room door at night and when unoccupied.
- Record serial numbers and engrave valuable personal items (before arriving on campus).
- Report any suspicious individuals or activities immediately to a Public Safety Officer, RA, or faculty/staff member.
- Keep the exterior doors to the residence halls closed at all times.
- Carry your keys and student ID at all times.
- Keep your art supplies and digital devices with you.

### **Equipment Check Out**

Cleaning supplies, videos and games are available at the SALD office. Checkout requires a valid PreCollege ID card in order to use the equipment.

**INSTITUTIONAL POLICIES:** <https://www.ringling.edu/policies-and-procedures/>

### **Smoke-Free**

The College maintains a smoke-free program for PreCollege, which includes all PreCollege faculty, staff and students. The use or possession of any tobacco products by any PreCollege student is forbidden. It is against the law in the State of Florida for people under the age of 21 to smoke. This prohibition extends to e-cigarettes and vaping as well.

### **Weapons**

Firearms, pepper spray, or any sort of weapon (using police definitions), including decorative ones and toys, are forbidden. For this reason, squirt guns should NOT be brought to campus.

### **Student ID Cards**

Every student must supply a Photo electronically as outlined in the registration materials. An official Ringling College photo identification card is issued during Check In. This card should be worn on its

lanyard at all times while on the College property or on College business away from campus. Your ID provides access to your residence hall, is used to check out books/materials checkout at Goldstein Library, is needed for evening/weekend access to many academic buildings, and required for all meals at the dining hall. Should you lose your ID, the replacement cost to reissue your card will be deducted from your residence/damage deposit.

### **Room Entry and Room Repairs**

The College reserves the right to enter a residence hall room for maintenance and/or cleaning purposes, or when there is suspicion of violation of College policy, where there is clear evidence that a student's safety is endangered. If any repair work is needed, contact the Office of Student Life or your RA who will report the problem. Do not attempt to make repairs yourself. Report damages immediately so a small repair may be caught before it turns into a major expense.

### **Curfews**

Curfews are strictly enforced in order to ensure the safety of all students. Curfew is defined as being in your assigned room with no audible noise detectable in the hallway. The curfew is 11:30 PM, Sunday through Thursday, and midnight on Friday and Saturday.

### **Damage Policy**

Students are held financially responsible for damage to College property incurred by their own actions or that of their guests, which is beyond normal wear and aging. In cases where the damage is intentional or malicious, disciplinary action will result. Damage and/or cleaning beyond "normal wear and tear" will be deducted from the refund of your \$300 residency/damage deposit.

Students are expected to clean their rooms prior to their departure. Students should plan to work on assignments in the studios or in the residence hall project rooms to avoid fees for paint on floors, doors, etc. When damage occurs on a common floor area and no individual or individuals are found responsible, the charge will be absorbed by all residents of that particular hallway or floor.

Ulla Searing Hall and Goldstein Hall are "green" buildings. To assist with the balance of summer heat and humidity, during the summer months all windows must remain closed except in an emergency situation.

### **Door Propping/Hall Security**

In an effort to protect the security of students and their belongings in the residence halls, judicial action and/or a fine may be imposed where a student is found to have propped open a residence hall door that is supposed to be locked.

### **Failure to Comply**

Failure to comply with directions of College officials or law enforcement officers during the performance of their duties and/or failure to identify oneself to these persons when requested to do so is a violation of College policy.

Additionally, failure to comply with policies by

- Falsification, distortion, or misrepresentation of information;
- Failure to provide information during an investigation of an alleged policy violation is considered a violation of the Code of Conduct.

### **Fire Alarm Systems and Safety**

Tampering with a fire alarm, fire extinguisher or any other fire equipment, the person(s) may be subject to a fine. Students found responsible for such actions, or who fail to evacuate a building in a timely

manner during a fire alarm, will be referred for disciplinary action.

### **Fire Drills**

When a fire alarm sounds in campus housing units, it is mandatory that all students evacuate the building according to the prescribed fire emergency procedures:

- Dress quickly and appropriately for exiting the building;
- Feel the door for heat—if it is hot, do not open! Remain in the room. Place a towel in the airspace under the door. Go to the window and wave an article of clothing until a firefighter reaches you. If the door is not hot, lock your door, and move quickly to the nearest fire exit;
- If smoke is present, wrap a towel over your nose and mouth and keep low to the floor;
- As you exit, move away from the building and to the patio; and
- Do not re-enter the building under any circumstances until directed to do so by the Residence Life Staff or Public Safety.

### **Leaving Campus**

Due to the brief and intensive nature of PreCollege leaving during the program or inviting guests to campus will not be considered. We work diligently to maintain a safe and healthy community for PreCollege. Barring an extenuating circumstance, leave or visitations will not be authorized. If an exception is granted, students may not leave campus, even with family members, without prior permission of the Office of Residence Life/Office of Student Life.

For safety and liability reasons, **PreCollege students are not permitted to use or ride in private cars** or other motor vehicles (mopeds, motorcycles, etc.) during the program. If a student drives a motor vehicle to the PreCollege program, it will remain parked in a patrolled College lot; however it is recommended that vehicles be left safely at home.

### **Hall Activities**

Because of the potential for noise, damage to the building, and personal injury, the hallways and public areas of the residence halls are not to be used for playing sports. This restriction also applies to the use of water for recreational use (i.e., water balloons, etc). \*Due to State Law, water guns or any other toy guns are not permitted on campus.

### **Student Insurance**

The College does not assume responsibility or carry insurance for loss of or damage to personal/rented property of residents due to theft, fire, wind, flood or other catastrophes within student rooms, designated storage areas or public areas within the residence halls. Therefore, the College advises students to maintain insurance for their personal/rented possessions unless the parent's homeowners insurance covers such instances.

### **Guests**

During PreCollege, only same gender PreCollege students are allowed as guests in residence rooms. Guests are permitted after classes and prior to curfew. Please be considerate of your roommate's right to the room. A roommate may never be locked out or barred access to his or her room at any time. Any student whose behavior or presence detracts from the community atmosphere or infringes on any resident will be dismissed from PreCollege immediately without refund.

### **Open Flames**

Open flames such as candles, incense burners and potpourri burners are not permitted.

### **Quiet Hours**

Residence hall quiet hours are minimally from 11:30 PM until 9 am, Sunday through Thursday evenings.

Weekend quiet hours are from midnight until 10 am Friday and Saturday evenings. Courtesy hours are in effect twenty-four hours a day. As a member of the College and the City of Sarasota communities, it is essential to respect the needs and rights of others in these communities.

### **PRECOLLEGE DISCIPLINARY PROCEDURES**

The process by which the College community educates students who violate the community standards is through disciplinary counseling. The goals of disciplinary counseling are as follows:

- To educate the student by explaining the reasons for the community standard.
- To bring the student's behavior into compliance with the community standard.
- To have the student maturely accept responsibility for their behavior.
- To help clarify the student's values as they are related to the behavior in question.
- To assist the student in making a more positive self-directed choice that will better enable the student to assume productive roles in the future.
- To help the student consider in advance the consequences of their behavior.
- To determine with the student the reasons for their misconduct.

Members of the College staff will handle alleged violations of misconduct. Students will meet with the Associate Dean of Students for Student Engagement or Associate Dean of Students for Housing and Residence Life or designee. In consultation with the PreCollege Program Director and/or PreCollege Academic Director, sanctions may be assigned.

### **Sanctions**

Depending on the type of violation, students will be issued a written warning; a letter may be sent to parents, or in the case of a serious violation, the student will be immediately dismissed without refund or credit.

Involvement in illegal activities, possession of illegal substances, or other actions deemed inappropriate by the College administration will result in automatic dismissal. This includes any disruptive behavior or actions seen to be harmful to the welfare of themselves or the community regardless of the sanction policy. Failure to observe the rules and regulations of the PreCollege will also result in dismissal. If a student is dismissed from the program, there is no refund.

The College reserves the right to take necessary and appropriate action to protect the safety and wellbeing of the College community. This handbook is set forth in writing to give students general notice of appropriate and prohibited conduct. The handbook serves as a guide and is not intended to define misconduct in exhaustive terms. Students dismissed from the program at any time will not be eligible for a refund.

**CODE OF STUDENT CONDUCT:** <https://www.ringling.edu/wp-content/uploads/2022/08/Student-Handbook-2023-2024.pdf>

In addition, PreCollege students are strictly prohibited from:

- Leaving campus without the written permission of the Dean of Students or the Associate Dean of Students.
- Tobacco use of any kind, *including e-cigarette, vaping devices, and loose or pouched nicotine*, is strictly prohibited during PreCollege.
- Use skateboards, bicycles, cars or other motor vehicles (moped or motorcycles, etc.).

### **EMERGENCY PREPAREDNESS – Tropical Storms and/or Hurricanes**

When our immediate area is placed under a Tropical Storm Watch or Warning and/or a Hurricane Watch the College's Emergency Response Team (ERT) will automatically enter an alert status and closely

monitor the weather. The President, or his appointee, will confer with the ERT and make decisions regarding the cancellation of classes, closing the College campus and securing facilities, based on the strength, location, and predicted path of the storm.

When our immediate area is placed under a Hurricane Warning, the College's President may declare a state of emergency, depending on the strength, location, and predicted path of the storm. If a state of emergency is declared, a mandatory evacuation of campus will normally be initiated, with all offices and food service operations being closed for non-essential personnel. If a state of emergency is announced and evacuation ordered, the Dean of Students will initiate that evacuation of PreCollege students with the assistance of the Associate Deans of Students to our designated shelter or students will be released to a parent or the person(s) listed on their Release/Waiver Registration Form. Students housed in an emergency shelter will continue to be accompanied and supervised by the Residence Life staff/Student Life staff.

**Families should have a plan should the College need to close and evacuate.** Most likely the plan includes the need to pick-up your student or make travel home arrangements.

### **Responsible Use of Electronic Communications**

Under Technology Policies and Procedures <https://www.ringling.edu/policies-and-procedures/>.

I further agree that the College may use the Materials, as well as my name, and my image and likeness as embodied in the Materials in and in connection with the College's mission, programs, and activities (including public relations and advertisements), in whole or in part, in all media now known or hereinafter devised, irrevocably, and on a worldwide and perpetual basis.
