IMMUNIZATION PACKET INSTRUCTIONS

Ringling College of Art and Design requires that all first-year and transfer students submit an immunization packet. Please download the mandatory immunization packet and create an account with Med+Proctor to submit your forms. The packet can be downloaded from Med+Proctor or health.ringling.edu. The immunization packet is due by **Friday, July 25, 2025**.

Please follow these directions for med+proctor registration.

- Click here or use this link to register for a Med+Proctor account: https://secure.medproctor.com/saml/sso?token=31fb8fbb-4413-4af5-84a4-0c277b646d2b
- 2. Login to Med+Proctor using our Microsoft Office 365 Single Sign On. When prompted to sign in, enter your Ringling-assigned username followed by @ringling.edu.

- 3. Download and print Immunization Packet Part A to take to your medical provider or you may obtain a copy of your official immunization record from your provider. Please note: Any official documents that are submitted must include a licensed medical provider signature/stamp.
- 4. All students must also complete Part B: Acknowledgment of Medical Policies and Health Insurance Requirement. This form can be downloaded through Med+Proctor or via this link.
- 5. Once completed, you will upload the Ringling Immunization Packet Part A, or your official immunization record obtained from your medical provider, along with Part B to Med+Proctor.
- 6. Please allow two to three business days for processing and verification.
- 7. Be sure to check your Ringling email for all verification updates from Med+Proctor. This is how you will be notified of any outstanding items.

If you have any questions about the required immunizations, you can access the Live Chat box on the Med+Proctor website, visit https://support.medproctor.com, or email help@medproctor.com. You can also email help@medproctor.com.
