SALLY THE SAVVY TIME & MONEY SAVER

"I am finally able to pay my bills and run my errands on payday, without making extra trips or paying check-cashing fees."

Sally gets her pay on the Wisely card by 9 a.m., every payday. She no longer has to pick up her paycheck at work or wait in long lines and pay fees at the check-cashing store. (Other fees may apply. Please see your Fee Schedule for more information.¹)

Wisely card helps save you time and money on payday.

LEVEL-UP LEON

"I had another paycard but I switched to a Wisely card because I can pay securely using Apple Pay[®], Android Pay[™] or Samsung Pay[®] at my favorite restaurant without exposing my card number."

Leon switched to Wisely card from a different paycard and **now pays with a single touch at his favorite stores, and on apps that accept Apple Pay, Android Pay and Samsung Pay.**

All three apps are accepted in over a million stores ... and counting.

MINNIE THE FEE MINIMIZER

"With my Wisely card I can save and manage money by not having to pay 'all those little fees' in a checking account can include the same fees for the card, such as out-of-network ATM w/d."³

Minnie switched to a Wisely card to help avoid checking account fees like minimum-balance fees, monthly maintenance fees, checking fees, and overdraft fees. **Budgeting expenses is so much easier.**

(Other fees may apply. Please see your Fee Schedule for more information.²)

CARINA KNOWS CARING IS SHARING

"I ordered extra Wisely paycards for my son and husband to access funds for school and everyday expenses."
(Additional validation required.)

Carina used to go to the ATM to withdraw cash for her teenage son and her husband and she didn't feel safe that they carried so much cash with them. **Her Wisely card now gives her peace of mind that family members can use their cards securely** and can monitor the transactions with email or text account alerts.
(Message and data rates may apply from your carrier. Additional validation required.)
