

HOW TO VOTE IN FLORIDA

A Guide for People with Disabilities Voting in the Presidential Election on Tuesday, November 5, 2024.

Note: There are lots of different words and phrases used in voting and elections. We explain some of these words and phrases in this guide. Other definitions and examples can be found in our [Voting Language Resource](#).

There are also phrases that might change based on where you live. For example, in this guide, we use the term "local election office." In some cities and towns, this office might have a different name. Your local election office might be called the county clerk, county election commission, board of elections, or something else. You can find that information by clicking on the links for each state that we have included in the guide.

REGISTERING TO VOTE

- **How can I register to vote?**
 - You can find out if you are already registered to vote by visiting vote411.org.
 - If you are not registered to vote, you have two options. You only need to complete one option to register to vote:
 - Option 1: register to vote online at Florida’s [online voter registration website](#).

- Option 2: register to vote by downloading, filling out, and returning the Florida [mail-in registration form](#).
- **When do I need to register?** The voter registration deadline is Monday, October 7. Be sure to register on or before this date. Florida does not allow voters to register after the deadline or on Election Day.
- **Do I need an identification (ID) to register?** You will need a driver's license or non-driver state ID to register to vote. You can use your Social Security number if you don't have a state ID or driver's license.
- **Can I vote if I have a disability?** Yes! People with disabilities who are 18 years old or older have the right to vote. Your vote matters and is protected by laws to make sure voting is accessible, independent, and private.
- **Can I vote if I have a guardian?** In this state, most people with guardians are allowed to vote. However, sometimes a judge may decide that you cannot vote. If you are not sure, you can check your guardianship order. If your guardianship order does not say anything about voting, this means you can still vote! Your right has only been taken away if your order directly says that. For help understanding or getting back your right to vote, contact your local [Protection and Advocacy Agency \(P&A\)](#).
- **Can I vote if I have gone to jail or prison?** If you have gone to jail or prison, you should check to see if you are allowed to vote. Some states take away your right to vote if you have gone to jail or prison. Learn about voting rights for people who have [gone to jail or prison](#). You can also learn more from the [Campaign Legal Center](#) or [contact the local P&A](#).

LEARNING ABOUT THE ISSUES

- **What is a ballot?** A ballot is a list of who and what you are voting for. Your ballot will list candidates who are running for different offices, such as President, Congressperson, and Senator. You vote by marking your choice on the ballot. If you are voting by marking a paper ballot and not using a voting machine, make sure to look at both sides of the ballot. Sometimes, your ballot has choices on both sides.
- **What is a ballot measure?** Sometimes, your ballot will have ballot measures. A ballot measure is a law, issue, or question that you can vote on. Voters get to decide if they agree or disagree with the ballot measure by voting yes to agree or no to disagree. [Learn about ballot measures](#) on our resource page.
- **Can I look at my ballot before I go to vote?** Enter your address on [BallotReady](#). This tool will give you a “sample ballot,” which will show you what will be on your ballot when you vote. On BallotReady, you can learn more about the candidates you can vote for.

VOTING IN PERSON

- **Where do I need to go to vote?** The place where you go to vote in person is called a polling place. If you are registered to vote, you can find your local polling place through the Florida election website. [Find your polling place.](#)
- **Do I need an ID to vote in person?** This state requires voters to show a photo ID with their signature to vote in person. If your photo ID doesn't have a signature, you will be asked to include another ID with your signature. The Florida Division of Elections has a list of acceptable IDs that you may bring with you. [Learn about voter ID.](#) **Ringling College students may use their student I.D. if the name matches the name on their voter registration PLUS another form of I.D. with a signature, like a signed credit or debit card. If the name on your student ID does not match the name on your registration, and you do not have a**

FLORIDA Driver License (other state licenses will not be eligible) or a U.S. Passport, email vote@ringling.edu.

- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot. You will have to fill out a form that says that you need help unless you wrote on your voter registration form that you would need help with voting. The clerk can help you fill out the form. The person you choose to help you will have to fill out a form as well.
- **Who can help me with filling out my ballot?** You may choose someone you know to help you vote or ask for help from a poll worker at the polling place. Your boss cannot help you vote. If you are part of a labor union at work, the person who helps you vote cannot be your labor union representative. [Learn about labor unions](#) on our resource page.
- **Can I vote before Election Day?** This state allows any voter to vote in person before Election Day during the Early Voting period. The early voting period starts on Saturday, October 26 and ends Saturday, November 2. Some local election offices may offer extra early voting dates. Contact the [local election office](#) to learn about your polling place's early voting dates.
- **Can I vote outside of the polling place if it is inaccessible?** This state does not usually allow people to vote outside the polling place if it is inaccessible. You can contact the [local election office](#) to see if they will make this accommodation. You can also contact the [Florida Division of Elections](#) for assistance or vote by mail.
- **How can I mark and cast my ballot in person?** Every polling place is required to have at least one accessible voting machine. Sometimes the machine is called a ballot marking device. Every voter is allowed to use the accessible voting machine. The poll workers at your voting site will teach you how to use the machine. In many polling places, you can also vote by marking a paper ballot with a pen. You can choose if you want to vote using a machine or using a paper and pen.

- **How can an accessible voting machine help me vote?**
 - You can use a touch screen or tactile keypad to click through each question and mark your choices. Some accessible machines also allow you to plug in a sip-and-puff device.
 - You can make the font bigger and change the colors to make the ballot easier to read.
 - The voting machine also has headphones. The machine can read your ballot out loud to you, so you can listen to the questions.
 - You can go back through your ballot choices and make sure you selected the right ones before printing your ballot and casting your vote.

VOTING BY MAIL

- **Can I vote by mail?** Any voter in this state can vote by mail. (If a polling place is not accessible to people with disabilities, this is another way for you to vote.)
- **Do I need an ID to vote by mail-in ballot?** You must provide your Florida driver's license number, non-driver state ID number, or the last 4 digits of your Social Security number when requesting your ballot. You do not need to include copy of an ID when returning your ballot.
- **How do I request a mail-in ballot?** You must request your ballot from the local election office in person, by phone, or by mail, fax, or email. [Request your ballot.](#)
- **Can I get an electronic mail-in ballot?** Some counties allow voters with disabilities to request an electronic ballot. They can fill out the ballot on their computer, print it, and return the ballot. [Contact the local election office](#) to find out if you can request an electronic ballot to vote in this election.

- **What is the deadline for requesting my ballot?** The last day to request that a mail ballot be sent to you is Thursday, October 24. Request your ballot as soon as possible to make sure that you receive your ballot on time.
- **What if I need help with filling out my ballot?** You are allowed to have someone help you fill out your ballot. That person cannot be your boss or union representative if you're part of a labor union. [Learn about labor unions](#) on our resource page.
- **Do I need to sign my ballot envelope?** Follow the instructions on the envelope to sign your envelope when asked. This state requires this signature to match the signature on your voter registration form.
- **How do I return my ballot?** You can return your ballot by mail or deliver it to the local election office or a ballot drop box. Your ballot must be received by 7 p.m. on Election Day, Tuesday, November 5.
- **Can someone return my ballot for me?** Yes, you may choose to have someone pick up and return your ballot for you. This person is called a designee. They are only allowed to return their own ballot and the ballots of two other voters.
- **Can I track my ballot?** Yes, you can track your ballot online to see if the local election office has received it. You can do this on the Florida election website. [Track your ballot.](#)
