

Nóatún Resort Scale Design / Resort Attraction Cart

EDES 210 - Juan Bonillo Ruiz

Nóatún Resort invites you to embark on **Viking Voyage**, an extraordinary opportunity to traverse Oslo's waters aboard an authentic **Viking warship**, just as the fearless Norsemen did centuries ago. Step aboard the **fastest ships** of ancient history on a journey across Oslo's **historic** and **modern waterfronts**. Dare to join an epic maritime adventure with Viking Voyage!!

VIKING VOYAGE

The **Viking Voyage** kiosk is the perfect way to start your true Viking adventure. Considered a **visual landmark** of the Nóatún Resort, the kiosk can be seen from any point of the resort. Once you get there, you will find all the **information** you need about the experience. Your **guide** for the adventure will also receive you at the kiosk, where they will delight you with the **tea** Vikings drank before their adventures.

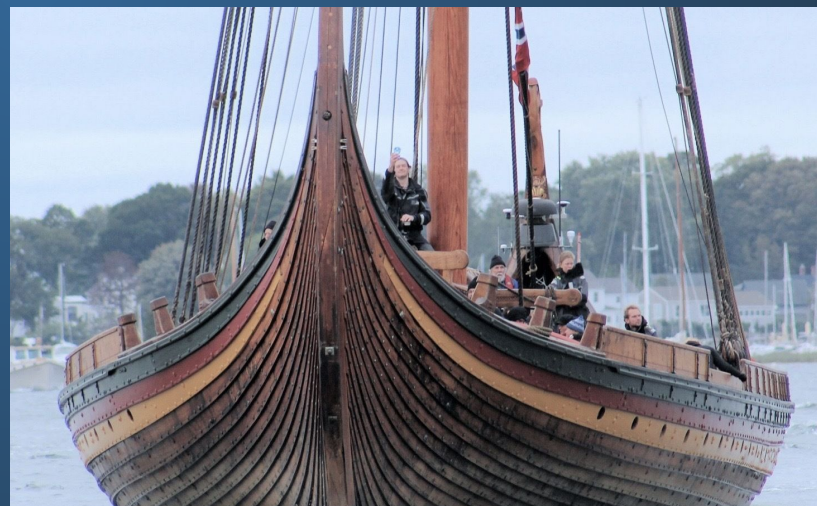

When you come back from your journey, stop by to discover the incredible offer of **souvenirs** at the kiosk.

Needs

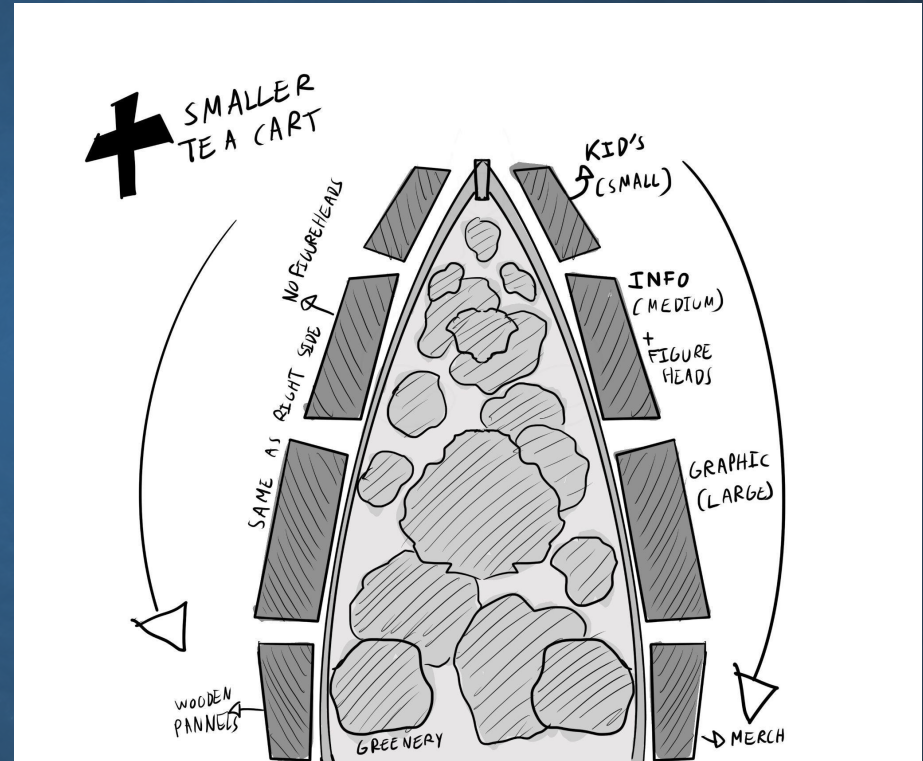

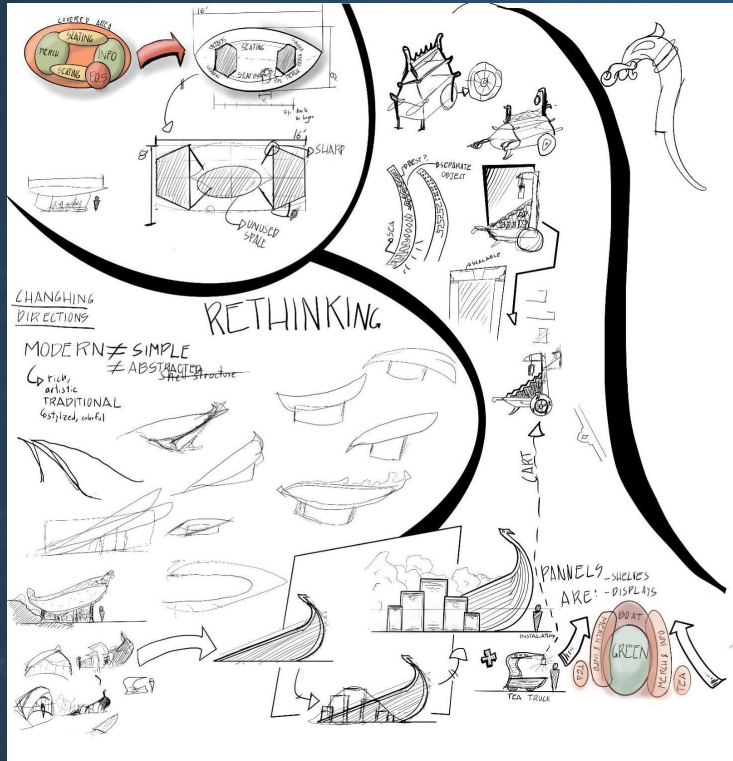

- Must be at least 8' x 16' in scale
- Signature / Specialty Feature that the guest must interact with
- Point Of Sale (POS)
- Attraction Information
- Storage
- Props
- Corporate Sponsorship

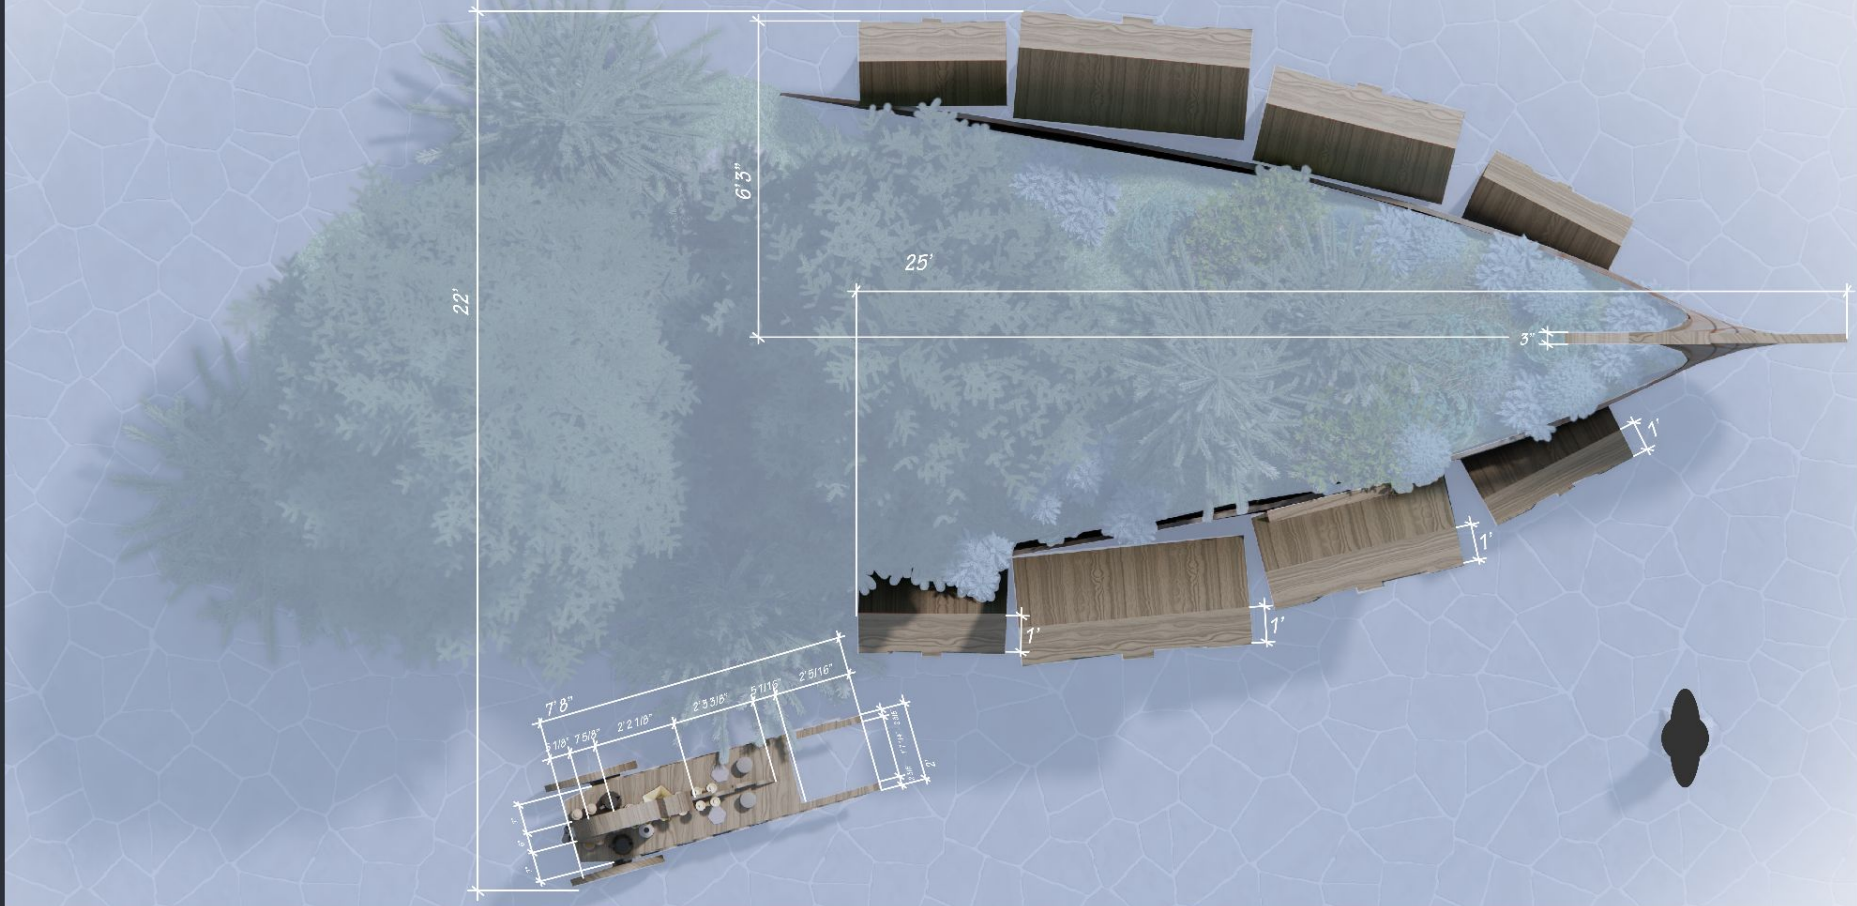

Wants

- Design must be related to **sailing culture**
- Must use **Viking materials**
- Should feel **traditional** despite being modern or unique
- Must belong in its environments yet **stand out** visually from a distance
- Could feel **mythical**
- Offer cover for rain? (not a cart)
- Blend with **Sponsor's values**
- Should display graphics and have enough shelving

Our Sponsor **equinor**

We are committed to reducing our carbon footprint and investing in renewable energy solutions (...) with an ambition to become a net-zero company by 2050. This shift also aligns with Norway's national goals to achieve climate neutrality by 2050

Floating wind

Industrialising floating offshore wind

Equinor is a global offshore wind major and the world's leading floating offshore wind developer and operator – a position we intend to keep – being the first company in the world with a running commercial park and another in the final stages of construction.

Largest companies in Norway by market capitalization

companies: 57 total market cap: \$304.96 B
